Hi Nancy,

Thanks for clarifying what you needed.
Yes, of course they're related to the 2012 operating budget :)

I will be speaking as a Ward 30 resident on the proposed hours to the libraries here.
I will be talking about how they will affect myself and the community.
I will speak about my own (and behalf of other residents) stance of the proposition by the library board.

Is that enough to meet the by-law requirements?
Also, what is the speaking limit to time on a deputation?

Thanks for your help!,
Romeo

Hello Romeo,

A copy of the remarks you are planning to make at the meeting is not required, however, a very brief description of the general subject matter in advance of the meeting is required. Am I right to assume that your deputation is related to the Library's 2012 operating budget?

Thank you.

Nancy

Hi Nancy,

So what I am understanding is that you'd need a draft of what I would be saying as my deputation?
If so, that is no problem, I will just take a day or two write my deputation.
Hope to hear from you soon.

Regards,
Romeo
