Subject: Friends of TPL Communication for TPL Board

Mr. Ron Carinci, TPL Board Chair

It has been another very successful year for the Friends of Toronto Public Library. Our combined donation from North and South Chapters in 2016 totalled $162,000.

This donation was given to the TPL Foundation in December 2016, to be used for designated Library programs.

Our two book stores are on Library property, selling used/donated books from the public and withdrawn material from TPL. We are staffed entirely by volunteers who are committed to supporting our TPL system.

Sincerely,
Linda Diener
President, Friends of TPL
