Ŏ

short vowel

Short O looks like:

otter

Practice the sound for short vowel ŏ while looking in a mirror. Short vowel ŏ as in otter. What shape is your mouth making? What is your tongue doing? Does your nose move?

The short ŏ vowel sound is made when the lips are rounded in an o shape. The tongue is midway up the mouth. Repeating the sound and noticing how you make the sound builds muscle memory.

Use your eyes, hands, ears and body while learning vowels to build strong connections.
